

You've searched the internet, you've been to exhibitions you've read every property publication you can lay your hands on and still you can't find that ideal property abroad.

Why not let us help you?

Green Sea Properties has access to over 10,000 properties worldwide. We can offer a bespoke, property search service, completely free and without obligation.

Simply complete our Client Fact Find and e-mail it to us and the Green Sea team will search the property markets on your behalf. We will then send you a selection of suitable properties for your approval. It couldn't be simpler!

Many of our clients have told us that they found our approach refreshingly different. No high pressure salesmen. No time wasting with unsuitable properties. No rush! As a result they have recommended us to other potential clients.

We pride ourselves on our levels of customer service, integrity and professionalism. Our philosophy is simple; we represent our client's interests exclusively.
